AIHP ACHIEVED A NEW MILESTONE

AIHP is a fast growing work space solutions provider in Delhi NCR that maintains high standards and aspires to gain a strong foothold in the office space industry.

The company started operating in the commercial space industry in 2012 and became India's First Corporate Landlord entity and since then we have delivered more than 500 built to suit offices i.e. 4 million sqft of space.

INSPIRING LUXURY

The new building offers highly premium office spaces.

The color palette and material board used for the interiors represents elegance .

The triple height reception is the statement of grandeur.

The classic style interiors represent class and luxury.

GURUGRAM HAS A NEW **MILESTONE**

The city's proximity to National capital & international airport and availability of grade A office spaces is an added advantage Gurugram has.

The availability of office space and a favorable business environment make Gurugram an apt choice for tech companies.

THE THOUGHT

It has been a decade and we have achieved a MILESTONE in the growing industry. Our upcoming project is situated as one of the most prestigious locations of Gurugram i.e the Delhi – Jaipur highway and symbolizes- **Luxury, Iconic location and Architecture.**

The new Building provides highly premium office spaces . with landscaped terraces .and jaali work showing royalty adorning the façade.
